

Sound Detective

Pause, listen and find ten everyday sounds. Write what made each sound; then describe it in your own words.

Name: _____ Date: _____

☐ 01 A sound made by nature

Source / description: _____

☐ 02 A sound made by a person

Source / description: _____

☐ 03 A sound made by a machine

Source / description: _____

☐ 04 A soft or quiet sound

Source / description: _____

☐ 05 A repeating rhythm

Source / description: _____

☐ 06 A sound that changes

Source / description: _____

☐ 07 A sound from far away

Source / description: _____

☐ 08 A sound very close to you

Source / description: _____

☐ 09 A sound that surprises you

Source / description: _____

☐ 10 Your favourite sound today

Source / description: _____

Try describing sounds as: bright, low, rustling, steady, ringing or rough.

Listen from a safe place. Keep playback comfortable; never make loud sounds to complete the hunt. Younger explorers can work with an adult.
